## Water Pant Project Individual Artist Survey 2014-15

As we move forward with our vision for the water plant building it is critical to have specific input from our artists. Our goal is to have this space first serve artists but also stand as a hub for connecting community. The versatility of this space will strengthen sustainability. Please give some thought to the questions below and give us your input.

1. List the top 6 “needs” of your Community Art Space (CAS). For example: I will need running water, preferable out of a large facet with large basin.
  - 1.
  - 2.
  - 3.
  - 4.
  - 5.
  - 6.
  
2. List the top 2 “wants” of your CAS. For example: I would really like to have a great amount of natural light.
  - 1.
  - 2.
  
3. Do you have a vision for the space? Describe it or draw it out.
  
  
  
  
  
  
  
  
  
  
4. What are your main concerns regarding your CAS? List them all. For example: Will I be able to store personal art supplies there?
  
  
  
  
  
  
  
  
  
  
5. What would you say are your top 5 priorities in a CAS. For example: Affordability of programs or being visible to the public.
  - 1.
  - 2.
  - 3.
  - 4.
  - 5.
  
  
  
  
  
  
  
  
  
  
6. How would you utilize your CAS. For example: generate income, teach classes, storage, just create art.

*Please use the back of this sheet if you need more space. Reference the question number in your response.*
